DON'T EXPERIMENT.

You Will Make No Mistake if You
Follow This Paducah Citizen's
Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Paducah. Follow the advice of a Paducah citizen and be cured yourself.

Bert Bradford, of 924 South Sixth street, Paducah, Ky., says: "I doctored two years continually for kidney and bladder trouble without any successful results. Last summer on one occasion I never left my room for two weeks on account of the weak condition of my kidneys and back. The pains across my hips and back were terrible and though I took a great deal of medicine I did not get any permanent relief until I began using Doan's Kidney Pills, procured at DuBois Son & Co.'s drug store. After taking the contents of three boxes, I was much improved and continued their use until I had used ten boxes, when I received a complete cure. I am very grateful to Doan's Kidney Pills and heartily recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

SECOND VICTORY

FOR "DR. FIZZ," A. M. LEAVISON
& CO.'S POPULAR DRINK.Case Against T. H. Reed for Selling
It On Sunday Dismissed in the
Police Court.

A. M. Leavison & company won another signal victory in the police court this morning for their popular soft drink, "Dr. Fizz," when in the case of T. H. Reed, of Ninth and Boyd streets, who was arrested for selling the beverage on Sunday, the jury brought in a verdict of acquittal. The evidence proved there is no alcohol in the drink, and therefore it is no violation to sell it on Sunday, nor is city license necessary for its sale.

In the case against Thomas Cole a few days ago the same verdict was rendered and the drink declared a non-intoxicant, as in this case. "Dr. Fizz" is one of the best sellers Leavison & company have, and the makers contend, as the evidence in these two cases clearly indicated, and there is no alcohol in the drink, and that it is purely a soft drink.

The Great North Country.

Nimrod was a mighty hunter, but had he hunted in the "Temagami" region he would have been a mightier one. Nimrod hunted for glory, but Temagamians hunt for game. Those Indians who made the first canoe of birch bark long ago were our greatest benefactors. The children of these Indians know the canoe, and they know how to use it, and if you go to Temagami this summer they will paddle your canoe in their own superb way. They will be the best guides you ever had. Students who camp in summer along the Temagami lakes are liable to do two years' work in one. Finest of fishing and hunting. Easy of access by the Grand Trunk Railway System. For information and beautiful descriptive publication sent free apply to G. W. Vaux, 917 Merchants Loan and Trust Building, Chicago, Ill.

DEPARTMENT CUTS

Down Street and Lights.Contractor Makes Proposition to
Gravel Tenth Street at Expense
of City.

SPECIAL MEETING IS CALLED.

Mayor James P. Smith's efforts to hold the different departments under the control of the board of public works within their appropriations for the year, are bearing fruit, as Street Inspector E. B. Bell and Superintendent Keebler, of the municipal lighting plant, reported materially reduced pay rolls for the first half of July, in the meeting of the board yesterday afternoon.

Street Inspector Bell managed his department on \$117 less than for the last two weeks of June, and it is thought now that the \$3,500 left of the appropriation for the lighting plant will be enough to operate on for the remainder of 1930. The board of public works is pleased with their efforts to bring the city's expenditures through the year without a deficit.

Contractor G. W. Katterjohn may make a proposition to the city to gravel Tenth street between Broadway and Kentucky avenue, at the city's expense, with the gravel he will take off of Broadway when the bitulithic paving is laid. This block, which by the city solicitor's recommendation must be improved by the city, could be cheaply put into using condition in this way. The board will consider the unofficial proposition at a later meeting.

Coal dealers who unload their coal from cars on First street, may be denied that privilege if they cannot handle the coal without damage to the sewers. The Illinois Central railroad was notified by the board to abate the nuisance on pain of losing the right to unload cars there. The coal drops on the street and is washed into the sewers, entailing an expense on the city to keep them clean.

J. A. Gardner petitioned the board to re-inspect Tennessee street where the contractor has laid new pavements and gutters. The board answered that the inspection was made legally and any defects in the contract must be made good out of the maintenance bond. G. W. Katterjohn signed his contract to lay sidewalks and gutters on Tenth street.

G. W. Robertson has paid the city \$168 for laying a sewer on his property at Third and Harrison streets. The city solicitor was instructed to proceed to enforce collection of the repair bill for Second street against Robertson & Gardner, plumbers and others who have torn up the bitulithic streets, were notified to make repairs while the Southern Bitulithic company is here. Temporary repairs were made with concrete and asphalt.

Having been assured that the general council will take care of the finances connected with improving Fifteenth street, Water street, Broadway and Kentucky avenue and First street, the board of public works will have a special meeting on Thursday afternoon to receive bids for their improvement. City Engineer Washington was instructed to have the plans ready by that date. Caldwell park has furnished a nuisance to citizens in that neighborhood from water flowing onto the pavement and the complaint was referred to the city engineer.

President Rudy and Secretary Kolb were present at yesterday's meeting.

The Result of "Trifles."

The world is composed of trifles. The nerve of a tooth, finer than a cambric needle, nearly drove Napoleon Bonaparte to distraction, and actually caused the mighty Caesar to lose a battle. A mosquito can cause a lion to die. The reef which strikes a navy is the work of a tiny worm. The warrior that walks up to the cannon's mouth and faces death in a thousand forms is killed by an insect. Small pleasures make up the sum of human happiness. The deepest wretchedness often results from a perpetual continuance of petty pains. A single look from one you love produces exquisite pain or unalloyed pleasure. A mouse of glass of wine that was drunk led to all the horrors, miseries and crimes that have sprung from drunkenness and darkened the earth for centuries.—New York Press.

"By their fruits ye shall know them" also applies to family trees.

CITY CANDIDATES
BEFORE PRIMARYThirty Nine Seek Democratic
Nomination.Nine of Them Wish to Be Jailer and
Two Wish to Be City
Treasurer.

COUNCILMANIC CANDIDATES.

Thirty-nine candidates for city offices were on the official books for the Democratic city primary August 6 last night at 12 o'clock the hour named after which a candidate may not enter the race. The position as city jailer must be considered a plum as there are nine aspirants for the place, and city treasurer has two candidates. Whoever is the winner of the nomination as city treasurer probably will have a battle in the courts to fight as the incumbent, John J. Dorlan, was elected by a large majority and the attorney-general has said that he is eligible to continue in office. The question of the eligibility kept several probable candidates from bobbing up in the race.

When the books were closed the following were candidates:

City Treasurer—George W. Walters, Gardner Gilbert.
City Jailer—Don P. Morton, J. W. Clark, Jack Nelson, William (Billie) Read, John A. Prince, Charles M. Grear, Dave Whitits, John Wayne, Frank Smedley.
Aldermen (five to elect)—E. D. Hannan, P. H. Stewart, Ernest Lackey, E. W. Baker, H. R. Lindsey, Joseph E. Potter, L. E. Duprett, Charles T. Graham, T. Dan Fitzpatrick.

Councilmen—First ward, George Hannan, J. J. Howell; second, Patrick H. Lally; third, A. M. Foreman; fourth, Andy Neiman, Charles Denker, Young Taylor; fifth, J. Lee Rhodes, David Rittoff, James P. McCarty, Charles Houser; sixth, R. J. Wilson.
Board of Education—First ward, E. J. Pettit; second, Frank B. May; third, Arch T. Sutherland; fourth, James W. Leigh; fifth (two to elect), George H. Jacobs, short term, John Nelhaus, long term; sixth, Mate S. Price.

Aldermen Hannan, Stewart and Baker are seeking nomination. Ernest Lackey is now councilman from the Fourth ward, and H. R. Lindsay is councilman from the First ward and president of the board. J. E. Potter, L. E. Durrett, C. L. Graham and Dan Fitzpatrick are well known citizens, some of them having served the public before.

At Foreman and R. J. Wilson seem to be the only councilmen seeking re-election. C. C. Duval, Al E. Young, C. L. Van Meter, T. E. Ford, Fred Kreutzer and W. L. Bower compose the hold over members of the council board.

H. R. Hank, Virgil Sherrill and George Ochschaeger compose the hold-over aldermen.

It Reached the Spot.

Mr. E. Humphrey, who owns a large general store at Omega, O., and is president of the Adams County Telephone Co., as well as of the Home Telephone Co., of Pike County O., says of Dr. King's New Discovery: "It saved my life once. Dr. King's New Discovery not only reaches the cough spot; it heals the sore spots and the weak spots in throat, lungs and chest. Sold under guarantee at all druggists. 50c and \$1.00. "The luckiest day of my life was when I bought a box of Bucklen's Arnica Salve," writes Charles F. Budahn, of Tracy, California.
